

## Audio Main

### Digital Audio Productions

Whether you are in a garage band at home, or in the school band, orchestra, or choir, we can produce the right product for you. We can create live CDs just minutes after a performance, or use computer editing to create a keepsake recording. We have worked at several schools in Mid-North Indiana, on a variety of projects.

- Past Projects
- Holiday Concert CDs for various Middle Schools and High Schools
  - School Music Contests - CDs on the spot for Directors, edited CDs available for order
  - Demo CDs for garage bands
  - CD mass duplication

### The Perfect Fund Raiser

If you like the "Cheese and Sausage" idea, we can't help you...but if you want to raise some serious money for your program by simply having your students spend a day or two playing music, then contact us NOW! One idea is to spend a week rehearsing Christmas music, then have us record you over a day or two. We do the editing, the CD & cover art, have it mass-produced, and you raise the money! For 1000 CDs, you can profit approximately \$10,000. Sound good? Contact us NOW!
