Your Wedding Day

When you hire us to film your wedding, we schedule no other events that day, which means we are committed to you for the entire day. Our "1-price for all" package includes the filming of extra events on your wedding day, including the bridal party getting ready (hair and makeup, etc), photo sessions, or candid interviews. We also do not charge extra to travel within the Central / Northwest section of Indiana, including areas such as Lafayette, Indianapolis, Frankfort, Monticello, Kokomo, and other cities in these areas. Check with us if you have any questions regarding our "No Extra Charge" travel distances.

Your WeddingWe treat every wedding as if it were our own. We know that you have spent uncountable hours and often a large amount of money to plan every detail of your wedding day, and we will be there to capture every moment of it. We use professional digital audio and video equipment that enables us to capture the moments of the day from different angles with stunning quality.

Your ReceptionYour reception is an important part of your day, so we are there to capture all of the key events, including random footage of your guests, the introductions, the special dances, the garter and bouquet tosses, and much of the regular dances. We make sure that we have more than enough footage to produce a thorough video of your special day.
